LIMITED MANUFACTURER’S WARRANTY

LIMITED WARRANTY
Double Coin Radial Off-The-Road Limited Manufacturer’s Warranty
January 1, 2014

WHO IS ELIGIBLE FOR WARRANTY COVERAGE
You are eligible for the benefits of this warranty if you meet all the following criteria:
· You are the owner or authorized agent of the owner of new Double Coin Radial OTR tires.
· Your Double Coin Radial OTR tires are not branded “NA” (Not Adjustable).
· Your Double Coin Radial OTR tires have been used only on the equipment on which they were originally installed according to the equipment manufacturers or Double Coin’s recommendations. Your tires were purchased or after January 1, 2006.

WHAT IS COVERED UNDER THIS WARRANTY AND FOR HOW LONG PRORATED TIRE REPLACEMENT
Double Coin Radial OTR tires covered by this warranty that become unserviceable due to a defect in workmanship or material during the life of the original usable tread will be reimbursed to the owner on a prorated basis. The life of the original usable tread is defined by when the tire tread has worn down to 10% of the original tread depth, at which point the tire is considered to be fully worn out.

a. The defective Double Coin tire must be replaced with a comparable new Double Coin tire by an authorized Double Coin Radial OTR tire dealer.
b. Blemished, Non-Adjustable (stamped on tire), retreads or road hazard tires are specifically excluded.

HOW TO CALCULATE THE PRORATED AMOUNT
The replacement price will be calculated by multiplying the current Double Coin “predetermined price for adjustment” or current advertised selling price at the adjustment location (whichever is lower) by the percentage of usable original tread that has been worn off at the time of adjustment. Please refer to the chart below for calculation of prorated credit. You pay for mounting and any other applicable taxes and fees for the comparable new Double Coin replacement tire.
